

The Community of Bridgetown invites you to enjoy the Active Living Loop created to promote active living for people of all ages and abilities. The Loop was designed to link up all of the amenities that the community has to offer.

There are Three Loops:

1. The Yellow Loop is a 4.1 km easy trail that includes the Nepeswisk Awtic portion of the Harvest Moon Trail. The route runs parallel to the Annapolis River and connects to the Bridgetown Business District. The route will take you to Jubilee Park, the Bridgetown Pool, Arena, Lawn Bowling Club, Curling Club, Regional Sports Hub and the Bridgetown Regional Community School.
2. The Pink Loop is a short family walk, including a family-centered scavenger hunt through the business district.
3. The Blue Loop, also known as the Cyprus Trail, is a historical, self-guided tour throughout the community that can be found by clicking on BridgetownNovaScotia.com and searching Cyprus Walk. The route starts in Jubilee Park.

Parking and starting points for the 4.1 km loop are Jubilee Park and the Sports Hub. Washrooms are open during spring-fall seasons.

Benches and interpretive signs have been strategically placed to ensure that people of all ages and abilities have an opportunity to rest and enjoy the rural surroundings, views of the river, mountains and local fauna and flora.
